2. On June 30, 2004, this Court entered a Memorandum Order setting forth certain rulings concerning the dismissal of Defendants who enter into settlements with Plaintiffs.

3. Following settlement negotiations, Settling Defendant entered into an agreement with Plaintiffs to settle Plaintiffs' claims against it in the within action.

4. The settlement reached between the parties and embodied in the settlement agreement is neither collusive nor fraudulent, was arrived at by arms-length process of negotiation and in good faith, and resolves all claims between the parties.

5. The proposed Order of Dismissal submitted herewith reflects the Court's opinion in the June 30, 2004 Memorandum Order.

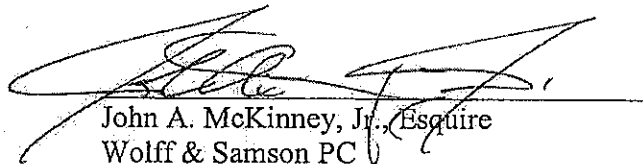

WHEREFORE, Plaintiffs and Settling Defendant respectfully request that this Court enter the proposed Order.
